Alert!

Do give us a hand! Take your empty bottle, used glass and other stuff with you out, when you are done with it. And if you are still on your feet when the milonga ends, please help us to help yourself to a nice, fresh and beautiful venue.

The festival is organized by "Tangoforeningen" (*The Tango Association in Copenhagen*). All work is voluntary and we are a non profit festival. Any surplus will go into next year's festival. We spread information on tango – dance as well as the music. Everyone is welcome to take part in the event, since this is a great chance for us to share our passion for tango and reach new potential members.

THE TANGO QUOTE

In my point of view, tango is, above all, rhythm, nerve, strength and character. Early tango, that of the Old Guard, had all that, and we must try not to ever lose it.
