

Do give us a hand! Take your empty bottle, used glass and other stuff with you out, when you are done with it. And if you are still on your feet when the milonga ends, please help us to help yourself to a nice, fresh and beautiful venue.

And the band played on!

The opening evening saw the first appearance in Denmark of the **Orquesta Tipica Cristal**, and we bring here the reviews of some of the participants. Brilliant, danceable, gentle, recognizable were among the characterizations that came up.

**Berna Delik,
Copenhagen:**

They were very danceable, very correct and professional. Brilliant. It was good that they played in tandas.

**Charlotte Rivero,
Stockholm:**

They were wonderful with a lot of energy. And the singer with the sore throat has nothing to be ashamed of, it gave his voice a darker sound.

**Pieter van Gendt,
Amsterdam:**

The band played very modest, not profiling themselves. They did their job in a very soft and gentle way. It gave peace to the dancefloor.

**Poul Ebbe
Rasmussen, Amager:**

They played very dancer friendly. I enjoy it when the music is recognizable and predictable, especially when there are many people on the floor.

The festival is organized by "Tangoforeningen" (*The Tango Association in Copenhagen*). All work is voluntary and we are a non profit festival. Any surplus will go into next year's festival. We spread information on tango – dance as well as the music. Everyone is welcome to take part in the event, since this is a great chance for us to share our passion for tango and reach new potential members.

No mistakes in the tango. Not like in life. That's what makes a tango so great. If you make a mistake, just tango on.

Ohh - my feet!

Don't we all know the feeling - a long evening and night has put its mark on the feet, they are sore and hurts.

Help is at hand if you want because **Ivo Saint** has golden fingers fingers and can provide relief for your feet.

Sign up at the afternoon miloga for 1/2 an hour (200 Dkr.) or 1/1 hour (400 Dkr.) to help your feet or your body. Treat yourself to some luxury and get your tango feet going again.

A free afternoon!
